

Depository Safes

FLD1913E & FLD1913C

Any business that handles a lot of currency understands the need for a depository safe. Standard front-load safes have a single compartment with an electronic lock. Money Manager versions have two discreet compartments to separate deposits from change and tills.

Features:

- B-rated with 1/2" solid plate door and 1/4" steel body
- Front-loading chute protected by "Anti-Fish" baffles
- Three active 6/7" diameter locking bolts
- Deadlocking bar on hinge side resists attack
- Easy-to-use keypad lock features keypress tone and LCD readout
- Four predrilled anchor holes in safe bottom
- Designed to accept most large money bags and envelopes
